

Jabra GN

Jabra Talk 55

Engineered for premium noise cancellation and Voice Control.

HD Voice for crystal-clear calls.

Enjoy crystal-clear calls with HD voice and Jabra 2-microphone technology. HD Voice automatically adjusts the volume to your environment, making sure that no matter where you are, you can hear above the noise around you. And with our 2-microphone technology, the person you're talking to also experiences exceptional call quality.

Powerful noise cancellation.

Block out disruptive noise with advanced Jabra noise cancellation, and experience noise-free calls even in loud environments.

Long lasting calls.

With up to 10 hours of calls and up to 7 days of standby time, Talk 55 lets you make reliable Bluetooth wireless calls throughout the day on a single charge.

Stream GPS and media.

The Talk 55 gets the most out of your media, letting you wirelessly stream GPS directions, music and podcasts from your mobile phone.

One-touch access to Digital Assistants.

Your Digital Assistant is just one tap away. Imagine being connected to email, texts, phone calls and music without ever having to touch your phone. Stay connected to Siri® and Google Assistant™, even when your phone is in your pocket or bag.

Built for success. Designed for style.

There is nothing in the rules that says you can't live for success and be stylish while doing so. Jabra Eclipse is our lightest ever headphone at just 5.5g. A powerhouse of technology, wrapped inside an elegant and sleek body, giving you ultimate comfort.

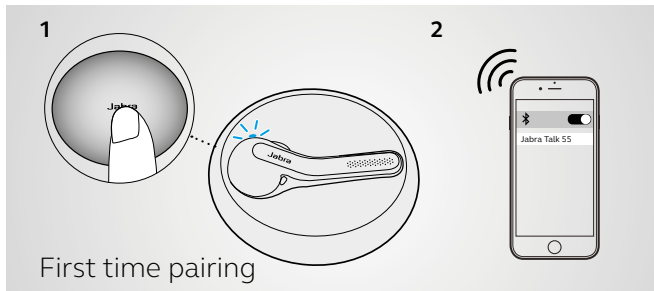

At a glance:

How to pair

First time pairing

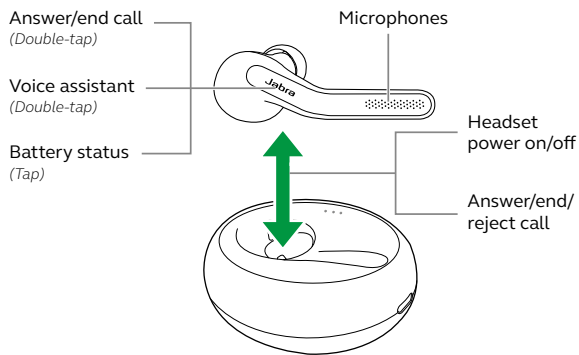

1. Dock the headset in the charging case, and press the Status button on the bottom of the charging case until the LED flashes blue.
2. Turn on Bluetooth on your smartphone and select the Jabra Talk 55 from the list of available devices.

Pair using Near Field Communication (NFC)

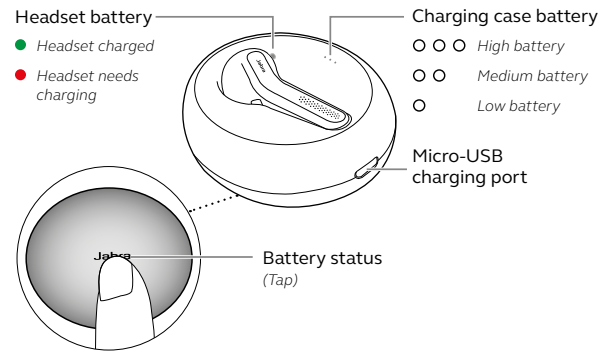

Slide the NFC zone on the charging case against your NFC-enabled smartphone until a pairing is confirmed.

How to use

Note: Fully charge the headset before first use.

Battery status

Note: The charging case recharges your headset on-the-go.
